

GENERAL INSTALLATION IDEA FOR RAIN PIPE

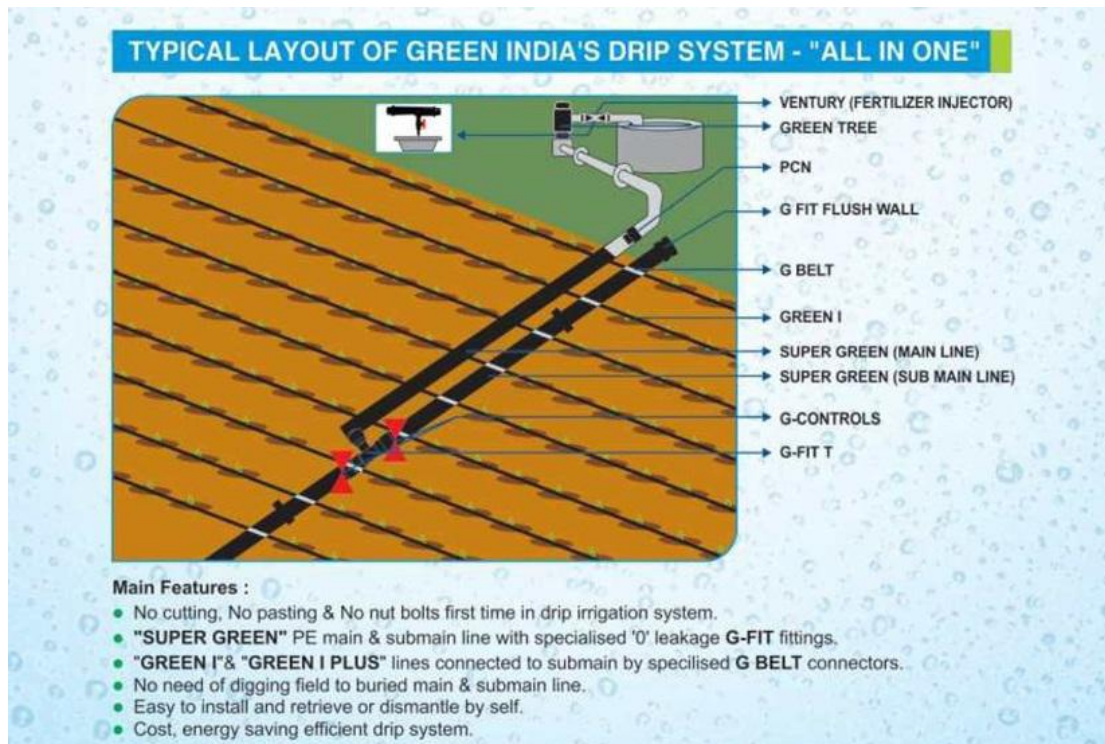

Typical installation idea

- PCN
- LE
- RLCV
- Distance betn 2 RAIN PIPE 8-10 Mtrs.
- TL
- Lay flat pipe
- RJ
- RAINPIPE
- RSS
- RES

How to Insert (Join) RLCV Rainpipe Connecting Valve in Layflat pipe?

- 1 Prepare clips for water connecting hose
- 2 Flatten and the hose, then prepare a sharp cutter
- 3 Cut the hose along the shape of clip and one end along the clip guide
- 4 Insert the bottom through the hole cut and assemble the gasket and saddle on the top of hose as picture shown.
- 5 Fasten the adapter with o-ring for connecting additional valves and couplers
- 6 Rainpipe - PVC Pipe Connection
